

Drive safely poem

Drive slowly, don't speed
there's no rush indeed
Drive safely and I'll say
"Happy Father's Day"

Chorus

Happy Father's Day,
Daddy you are great
this is what I say
Happy Father's day

fasten your belt
because you are my best friend
keep your hands on the wheel
drive safely, don't speed

Chorus

Happy Father's Day,
Daddy you are great
this is what I say
Happy Father's day
