

# The first school day

## song

My name is , my name is.....  
My name is , my name is.....  
My name is , my name is.....  
they are at school, they are  
at school with me

And they are strong and kind and happy,  
And they are strong and kind and happy  
And they are strong and kind and happy  
they are at school, they are  
at school with me
